

# Purus Sterilization Cassettes for Dental

Purus recognizes the importance to dentists of quality, reliability, and value for money.

Our range of sterilization cassettes brings quality product, modern design and the reassurance of warranty protection and service support.

This means that your practice is ensured of an instrument sterilization cassette which you and your patients deserve.

## Sterilization cassettes

Standardising and coding your instruments will simplify and reduce instrument processing time. Procedure times will be improved with a systematic approach to your instrumentation.

### A Safer Way to Handle Instruments...

Eliminates the need to handle sharp instruments during the sterilisation process. Helps to reduce the risk of injury to your staff and protects the instruments.
