

# TANCY

## TOUCH

360° non angular design, soft touch  
 Perfect combination of ergonomics and visual psychology  
 Flat design, small-sized and exquisite  
 Patent Code: 201930255520.0

Woson self-developed Steam Generator, blocking-free, upgrading efficiency by 10% the latest.

- Exclusive patent, Patent No.: ZL 201420135729.5
- Greater thermal efficiency
- Longer service life

## MAIN PARAMETER

<b>Sterilization Class</b> Class B	<b>Sterilization Temperature</b> 121°C, 134°C
<b>Special Program</b> HIV, HBV mad cow virus and spores...	<b>Dry Program</b> Strong Vacuum Drying
<b>Display</b> 4.3 inch high-light LCD, touch screen	<b>Test Program</b> Bowie&Dick Test, Vacuum Test, Helix Test
<b>Control Precision</b> Temperature: 1°C , Pressure: 0.1bar	<b>Sterilization Data</b> External Printer, USB
<b>Safety System</b> Relief Valve, Motor Lock, Pressure and Temperature Overload Protection, Alarm System	<b>Water Supply System</b> Detachable reservoir Capacity: 7L
<b>Rack &amp; Trays</b> 1 Tray	<b>Chamber</b> Medical Grade Aluminum Alloy, Max.temperature:145°C, Max.Working Pressure:2.3bar, Min.Working Pressure: -0.96bar

- \* Chamber Material: Medical Grade Aluminum Alloy 6061
- \* Lightweight and durable, excellent interface features, easy coating, high strength and strong corrosion resistance, commonly used in aircraft parts, ship accessories, precision instruments and other areas;
- \* Split heating membranes in chamber, heating faster and more even;
- \* Drawer-shape design, simple and easy operation.
- \* Motor lock system, keep door shut during full cycle time, no matter positive or negative pressure.

## Speedy sterilizing experience

Program	Temperature	Pressure	Vacuum Time	Sterilization Time	Dry Time	Total Time
N Class	134 °C	210kPa	0	4mins	1mins	8mins
S Class	134 °C	210kPa	1	4mins	3mins	12mins
B Class 134 °C	134 °C	210kPa	3	4mins	4mins	15mins
B Class 121 °C	121 °C	110kPa	3	20mins	4mins	30mins

## SPECIFICATION

Model	Voltage/Power	Chamber Size(mm)	Outside Size(mm)	Packing Size(mm)	Net Weight(kg)
TANCY TOUCH 2L	220V/1800W	192.5X45.5X300	620X440X170	750X520X230	27

TANCY TOUCH provides superior faster performance than existing rivals.
